***Bridging the Gap* Dinner to Be Hosted In Aberdeen on February 7th**

Southeastern Idaho Public Health is pleased to announce that a *Bridging the Gap* informative dinner will be hosted at Hazard Creek Golf Course, in Aberdeen. *Bridging the Gap* dinners are for parents with children in middle school and high school and are designed to give parents the tools they need to begin and continue conversations about sexuality, teen pregnancy, and other sensitive issues. Topics covered during the FREE dinner include tips and strategies for starting the conversation with pre-teens and teens and social pressures today's teens are facing with friends, school, and social media. With the guidance of their adult leader, local youth will present a slideshow and pertinent video excerpts, and talk to attendees about what goes on in a typical teen's life.

The Bridging the Gap dinner is a **free**, 3-course dinner, and will take place on **Tuesday, February 7th at 6:00 p.m.** at Hazard Creek Golf Course, 419 E. Bingham Street, Aberdeen. Those wishing to attend must RSVP by **Friday, February 3rd**. Space is limited. Please reserve your seat by calling Tracy McCulloch at 208-239-5250 and leaving a message.

The dinner is sponsored by the Department of Health and Welfare's Adolescent Pregnancy Prevention Program in the Division of Public Health. For more information, visit www.siphidaho.org or www.idahoteenpregnancy.com.
