Discussion	<ul style="list-style-type: none"> Mark Gunning contacted two representatives from All under One Roof to see if they would be interested in joining the CMH meetings. They will bring it up at their next meeting and were enthusiastic about the opportunity. We expect to hear back from the representatives in one month. Mark also contacted Kent Hobbs from the school district but hasn't yet received a response. Dave has contacted different providers but they were unable to attend today's meeting. We are still looking for a parent representative. Brad Baker will look into a representative for juvenile probation or possibly someone from the Bannock Youth Foundation.

Y.E.S Update (Jeff D. Settlement)			
Dave Sorensen			
Discussion	<ul style="list-style-type: none"> The clinical advisory group is figuring out definitions on payment policies and strategies. The CANS group has stalled and are waiting for accessibility. The interagency governance team is working on bylaws. Pat Martelle agreed to present on Y.E.S in December, but because the subcommittee will not be meeting, Dave will ask if she is available for January 17th. She would need approximately 30 minutes for her presentation. Tentatively, there is a speaker representing the Idaho Federation of Families that will come to the November meeting to talk about Family Support Services.
