**Type of Meeting:** Medical Health Neighborhood

**All Attendees**

**Discussion Summary**

- Dr. Woodhouse, SHC Chair, gave a presentation introducing SHIP and the regional collaboratives.
- Allison Palmer, SHIP QI Specialist, gave a brief presentation informing attendees what the Patient Centered Medical Home Model of Care looks like.
- Rhonda D’Amico, SHIP Program Manager, presented on our Regional Health Status, Idaho Priorities, and the SHIP Selection Process.
- There was then an open forum for discussion and questions. Attendees spoke about their practice and how they could benefit the community.
- The next meeting has not yet been scheduled.
