Storm Alvin Ricken “Cleaning Up After the Aliens”

In the spirit of the upcoming viral Facebook event, “Storm Area 51” on September 20, Southeastern Idaho Public Health (SIPH) wants to make a positive impact by picking up litter along Alvin Ricken Drive and around our agency on Friday, September 20. We welcome fellow businesses on Alvin Ricken Drive and encourage the community to do the same in their neighborhood.

For more information, contact Devin Hughes at 208-239-5208.
