Southeastern Idaho Public Health Confirmed Death in Southeast Idaho Due to COVID-19

Southeastern Idaho Public Health (SIPH) has confirmed another death associated with COVID-19 in Bingham County. The individual was a male in his 40s. A death reported earlier in the week was inadvertently reported twice therefore the total number of deaths in southeast Idaho is 121. Out of respect to these individuals' families, no additional details will be released.

SIPH urges all residents to take precautions to slow the spread of COVID-19. This includes practicing social distancing at all times, wearing cloth face coverings in public places, practicing good hand hygiene, and isolating immediately if you show symptoms of COVID-19.

Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

SIPH has a call center to field questions from the community and is open Monday-Friday 9:00 a.m. to 4:30 p.m. You can reach the hotline at (208) 234-5875.
