## Southeastern Idaho Public Health’s Weekly COVID-19 Update

For the week of July 27 – August 2, Southeastern Idaho Public Health had 143 new confirmed and probable cases of COVID-19. This brings the total of confirmed and probable cases to 17,677. Out of the 17,677 cases, 17,471 have recovered from COVID-19.

There are two confirmed deaths related to COVID-19, a male in his 80’s from Bannock County and a male in his 60’s from Bingham County. This brings the total to 237 deaths due to COVID-19. Out of respect to these individuals’ families, no additional details will be released.

See county case counts below for the week of July 27 – August 2, 2021:

	New Confirmed	New Probable	Total	Total Deaths
Bannock	52	40	92	1
Bear Lake	3	3	6	0
Bingham	12	19	31	1
Butte	0	0	0	0
Caribou	0	3	3	0
Franklin	3	5	8	0
Oneida	0	3	3	0
Power	1	0	1	0
<b>TOTAL</b>	<b>71</b>	<b>73</b>	<b>144</b>	<b>2</b>

To help prevent the spread of this virus, it is more important than ever that the public follows the following prevention methods.

- Wear cloth face coverings in public places.
- Practice social distancing (6ft).
- Stay home if you are sick.
- Avoid people who are sick.
- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol.
- Cover your nose and mouth with a tissue or your sleeve when you cough or sneeze.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Cleaning and disinfecting surfaces and objects that may be contaminated with germs using a disinfecting solution.
- Get vaccinated as soon as possible.
