Franklin	28	13	41	0
Oneida	26	14	40	0
Power	26	57	83	1
TOTAL	1411	840	2251	9

To help prevent the spread of this virus, it is more important than ever that the public follows the following prevention methods.

- Wear cloth face coverings in public places.
- Practice social distancing (6ft).
- Stay home if you are sick.
- Avoid people who are sick.
- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol.
- Cover your nose and mouth with a tissue or your sleeve when you cough or sneeze.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Cleaning and disinfecting surfaces and objects that may be contaminated with germs using a disinfecting solution.
- Get vaccinated as soon as possible.
- Get boosted.
